

**ORDINANCE 2009-170**

**AN ORDINANCE TO AMEND TITLE 18, CHAPTER 1  
(WATER RATE SCHEDULE)**

BE IT ORDAINED by the Mayor and Board of Alderpersons Title 18, Chapter 1, of the Dyer Municipal Code be amended as follows:

Deletes section 18-128 in its entirety and insert the following:

**18-128 Schedule of rates.** All water furnished by the city shall be measured or estimated in gallons to the nearest multiple of 10 and shall be furnished under the rates:

Per month, inside corporate limits - \$12.00 per month minimum rate up to 2,000 gallons of water used; \$.25 per 100 gallons for the next 3,000 gallons (from 2,001 through 5,000); \$.22 per 100 gallons for all over 5,001 gallons of water, plus capital improvement fee of \$3.50 plus sales tax as provided by law.

Per month, outside corporate limits - charges same as inside corporate limits plus \$1.50 monthly charge for out-of-town customer (minimum monthly charge for out-of town customer shall be \$13.50 plus sales tax).

The forgoing schedule of rates and charges shall apply only to single dwellings or commercial units. Where two or more dwelling units are served from a common meter, such as an apartment building, the total monthly consumption shall be divided between the number of dwelling units serviced, for computation of applicable brackets, and each dwelling unit served will be computed according to the forgoing schedule.

The minimum charge shall apply to each dwelling unit served.

The charges and rates to be made against any industry requiring a minimum of 1,000,000 gallons of water per month may negotiate its rate with the city council.

From time to time, the city council sets the charges and fees for water, sewer, trash collection, or deposit on meters by either appropriate ordinance or resolution.

This ordinance shall take effect upon final passage the public welfare requiring it.
