

RESOLUTION 2005-155

**A RESOLUTION TO ADOPT THE
NATIONAL INCIDENT MANAGEMENT SYSTEM**

WHEREAS, emergency response to critical incidents, whether natural or manmade, requires integrated professional management; and

WHEREAS, unified command of such incidents is recognized as the management model to maximize the public safety response; and

WHEREAS, the National Incident Management System (NIMS) has been identified by the Federal Government as being the requisite emergency management for all political subdivisions; and

WHEREAS, failure to adopt NIMS as the requisite emergency management system may preclude reimbursement to the political subdivision for costs expended during and after a declared emergency or disaster and for training and preparation for such disasters or emergencies; now, therefore:

BE IT RESOLVED BY THE CITY OF DYER, TENNESSEE:

SECTION 1. The City of Dyer adopts the NIMS concept of emergency planning and incident command.

SECTION 2. In furtherance of NIMS, it is the policy of this city to train public officials and employees responsible for emergency management.

SECTION 3. Directs that incident managers and response organizations in our jurisdiction train and exercise the Incident Command System (ICS) and use it in their response operations.

NOW, THEREFORE BE IT RESOLVED, by the governing body of the City of Dyer, Tennessee, meeting in regular session on this 12th day of September 2005.

Adopted this 12th day of September, 2005
