Tom Lannom representing Dyer Volunteer Ball League expressed their thanks for the new lights at David Robinson Recreation Park. The Volunteer League requests the following:

1. Last year there were 7 or 8 softball tournaments at the park and there is no field charge. We would recommend a \$100 fee to use the field or a fee with a refundable deposit. Written rules and expectations are needed.
2. The doors at the concession stand need replacing. Some are very hard to open where others will open with the slight push.
3. The concession stand air conditioner needs replacing. It quit working last year and was not replaced.
4. The league would like permission to enclose the east side porch and move the present serving window and install an additional serving window on the east side.

The Park Committee meets Monday, January 25, 2010 at 6:30 p.m.
