

The City of Dyer Mayor and Board of Alderpersons met in Special Call Session Monday, May 3, 2010 at 6:15 p.m. at the City Hall. Those present were Mayor Walton Thompson; Alderpersons – Bitsy Gilliland, Nathan Reed, Jimmy Landrum, Robert Johnson, Cody Childress, George Fisher, and Attorney Jennifer Deen. Those absent include Judy Baker and Roger Gray.

The purpose of this meeting was to discuss the following:

Correct information Fire Chief Bob Moore reported at the April 26, 2010 meeting about the accident of April 16, 2010

Mayor Thompson opened the meeting and then turned it over to Attorney Jennifer Deen.

She asked Chief Moore if he would like to explain what happened April 16, 2010.

Chief Bob Moore stated that he was traveling North on North Main Street to the Fire Station. As he attempted to turn left there was a vehicle traveling south and he then turned left and hit this vehicle. Chief Moore called for a Police Officer. The Dyer Police Officer contacted the Tennessee Highway Patrol but it would be several hours before a THP could come and investigate this accident. Both drivers agreed to allow the Dyer Police Department to investigate this accident. There was never a parked vehicle as stated at the April 26, 2010 meeting. Chief Moore meant to correct this statement on April 26th but failed to do so.

Attorney Deen suggested that Chief Moore correct the TML Insurance report as it was reported to Siler Thornton Agency that Chief Moore backed into a parked vehicle.

Chief Moore agreed to correct any statements whereby all records agree.

Motion made by Nathan Reed seconded by Robert Johnson to adjourn. Motion carried with all ayes.

Kenneth W McEwen, Recorder

Walton Thompson, Mayor
