

Resolution 2017-228

**A Resolution to Bill for Fire Protection and Related Services
Rendered by the City of Dyer Fire Department**

WHEREAS, response to and/ or recovery from minor and major emergencies and disasters requires purchases to replace supplies, periodic and scheduled maintenance on apparatus, fuel purchases, rehabilitation supplies, manpower expenses, repair and/or replacement of protective gear and equipment required by the Dyer Fire Department, OSHA, NFPA and/or other associated guidance; and

WHEREAS, the Dyer Fire Department is an official response agency within the City of Dyer, Tennessee, as well as an official responding agency where mutual aid and/or automatic aid agreements exist; and

WHEREAS, the Dyer Board of Mayor and Aldermen and manage staff of the Dyer Fire Department acknowledge that expenses should rightfully be recovered from the person(s) or agency(s) accepting Liability (Financial Responsibility) for the emergency incident; subject to due process of law; and

WHEREAS, no law or statue prevents or precludes the Dyer Fire Department from billing and recovering these expenses from the above stated person(s) or agency(s); and

WHEREAS, the costs of the services being charged for were actually incurred or implied by the Dyer Fire Department while/when rendering services to a person or agency involved in the City of Dyer, or Gibson County, or for other responses in which a mutual or automatic aid agreement exists with the Dyer Fire Department, or where a request for mutual aid was made from another agency; now therefore

**BE IT RESOLVED BY THE MAYOR AND BOARD
OF ALDERPERSONS OF THE CITY OF DYER THAT:**

SECTION 1. The Dyer Fire Department hereby adopts billing for responses to and/or recovery from minor and major emergencies and disasters requiring purchases to replace supplies, periodic and schedule maintenance on apparatus, fuel purchases, rehabilitation supplies, repair, and/or replacement of protective gear and equipment required by the Dyer Fire Department, OSHA, NFPA, and/or other associated guidance.

SECTION 2. The Fire Chief, his designee, or contracted billing company will submit a billing statement to a person, agency, or the insurance company of the person(s) or agency(s) that services were rendered for the services and/or expenses actually provided and/or incurred.

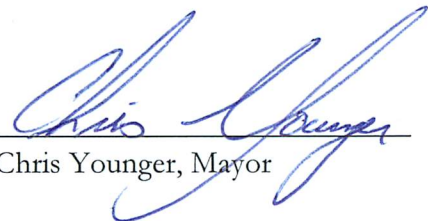

SECTION 3. The City of Dyer hereby adopted the billing policy as described above for the Dyer Fire Department.

SECTION 4. The contracted cost recovery provider is hereby directed to bill for services provided for highway/road vehicle crash responses, extrication services, landing zone services, rescue services, fire suppression services, hazardous materials services, roadway cleanup/mitigation services and other services or expenses, as directed by the implementation of the forgoing policy. Other fees will be charged according to the current fee schedule maintained by the

Dyer Fire Department as approved from time to time by the Dyer Board of Mayor and Aldermen.

SECTION 5. This resolution shall become effective from July 1, 2017, the public welfare requiring it.

ADOPTED AND APPROVED this 28th day of August, 2017.

Chris Younger, Mayor

Nathan Reed, City Recorder
